

## Home Learning – What the Ladybird Heard 29.06.2020

### What the Ladybird Heard – Written by Julia Donaldson

During the summer term in Nursery learn about mini beasts. One of the stories we like to share is What the Ladybird Heard by Julia Donaldson. Please use the link below which will take you to the story:

<https://www.youtube.com/watch?v=Eu9mPX7DuLA&safe=true>

Watch the story or if you have a copy of the book at home you may choose to read it. When listening to the story ask your child questions such as:

What part of the body does the ladybird use to hear?

How did the burglars know where the Prize Cow would be kept?

How did the Ladybird stop the burglars stealing the cow?

### Activity Ideas:

1. Retell the story verbally, talking about your favourite parts.
2. Draw a story map that sequences events as they happen in the story.
3. Draw a picture of your favourite character and label.
4. Create a scene from the story using materials of your choice.
5. Create a ladybird and make movable spots that can be counted – match to numeral

For the children who are attending Nursery they are listening to this story as well as practising their names and learning letter sounds: m, a, s, d, t and i. t

Any of the activities that you complete please send us photographs and descriptions to [bps.eyfshomelearning@perryhallmat.co.uk](mailto:bps.eyfshomelearning@perryhallmat.co.uk) we will then share them on the school website with your permission.
