

Thursday 19th December 2024

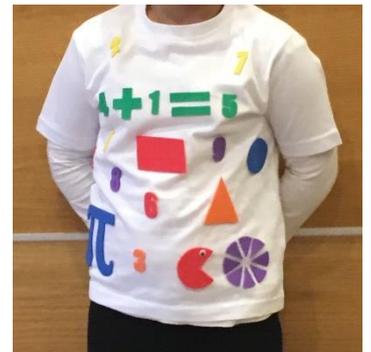

Dear Parents/carers,

On **Friday 24th January 2025**, the pupils of Berrybrook will be taking part in a Maths curriculum day. Across school, there will be different activities which include a Maths theme including reading Maths stories and learning about famous Mathematicians who have contributed significantly to our lives.

As part of our curriculum day, we are inviting all pupils and staff to come dressed up as a Times Tables Rock Star, a Numbot Robot, something that represents an aspect of Maths or their favourite number. Please be as creative as you can be for your outfits.

We **will not** be asking for donations for this day.

Below you will find some photos, which aim to give inspiration for the outfits:

When choosing an outfit, please consider the typical weather/temperature for January.

Thank you in advance for your continued support.

Kind regards,

Mrs Worthy

Maths Subject Lead
